

Beginning with pairs of light harness horses, followed by roadsters, the spectators next had an opportunity to see some pretty pairs of small horses in harness. Next came the harnesses, presenting some exceedingly stylish turnouts.

In the champion class for harness in harness, which came next, Mr. Vanderbilt's bay mare, the Virginia, captured the blue and his Polly Prim his reserve color.

Saddle horses and jumpers, harness pairs came next, and then the spectacular Corinthian class, representing a field thirty-six of the finest harness in America, rivaled the attention and aroused the enthusiasm of the audience. It was a difficult matter to decide the winner as the judges recalled when they also noted the competition from the most perfect performance. The riders were more or less equal, and the judges were divided in their opinion. The judges were divided in their opinion. The judges were divided in their opinion.

### Roadsters Follow.

Roadsters in an appointment class followed under the following conditions: A roadster should not be under 15 hands high. Conformation, substance, style of going, manners, back and knee action, biting and showing, and as they are and appear at the time of showing in the ring, will be considered in judging. The following scale of points will govern in judging: Horses, 50 per cent; wagon, 12 per cent; harness, 5 per cent; robes, blankets and whips, 5 per cent; general appointments, 10 per cent; and 15 per cent. Good breeders.

Sadie McGee and Preferred came together again and Mr. Conway drove "Glenville" for Mr. Howard, who is confined to his room at the Jeffers Hotel on account of his accident in the harness class Monday night.

Mr. Stobbsbury's Paddy and Mr. Drew's Nellie B. also showed. King William, owned by Eugene Johnson, was scratched.

After showing speed and reversing, appointments were judged. Glenville was "given the mile" for harness, and the other four trotters were sent around again.

Ellie went to Baltimore. Farm's Sadie McGee, the winner in the former roadster class; red and yellow to Mr. E. T. Stobbsbury's Preferred and Dooley, and white to Mr. Drew's Nellie B.

Small pairs of harness horses were next seen in the ring. The conditions of the class were the same as in the "large" class, conformation counting 50 per cent, and style of going 50 per cent. Horses were limited to 15 hands and over 11-4 hands, and were required to "go a good pace."

Mrs. Gerken, with Newbury and Shopgirl, was first in the ring, followed by Mr. Wesseloff's Isabelle and Inez, and Mr. Conway driving Mr. Howard's Patriot and Dr. Reid, and white to Mr. McGee's Conestoga and Compadre.

The judges kept Mrs. Gerken in after the first round, and sent the others out to drive for the red, yellow and white. Blue went to Mrs. Gerken's Newbury and Shopgirl, red to little Joe Wesseloff's Isabelle and Inez, yellow to Mr. Howard's Patriot and Dr. Reid, and white to Mr. McGee's Conestoga and Compadre.

The Gerken pair never went better or more brilliantly, and a perfect burst of speed excited Mrs. Gerken when she received the award.

**Park Tandems.** Park tandems were the next attraction. The judges were instructed especially to consider manners. The wheel was required to be extended 13-14 hands, and to have power, action and ease, while the leader was required to be steady and well bred.

Mr. Conway drove Mr. Howard's Burlington and Rockingham; Leahy drove Mr. McGee's Delaware and Dakota; Mr. Wilson drove Mr. Vanderbilt's Youngster and Polly Prim; Mr. Palmer drove Mr. Strauss's Delight and Delight; and Mr. Wesseloff drove Lakeside and Iceberg.

An accident occurred to Mr. McGee's tandem at the north turn. McGee's tandem, he feared, and fell backward, bounding down the wheel and generally demolishing things. Frank, old from the ring attendants, caught the horse and trap. The judges allowed the entry out of the ring.

Ellie went to Mr. Vanderbilt's The Youngster and Polly Prim, red to Mr. McGee's Delaware and Dakota, yellow to Mr. Wilson's Youngster and "Sweet Marie," blue, yellow and white rosette, and white to Mr. Wesseloff's Lakeside and Iceberg.

**Championship Class.** The best of the championship classes was next called. All the harness and saddle championship classes were shown under the following conditions: "Open to all horses, being taken a first time, or any of a pair having taken a first time in the harness classes at this or any previous show. This former to be participating in the latter must be made in the first of the entries."

The judges were instructed to consider manners, and to have power, action and ease, while the leader was required to be steady and well bred.

The judges were instructed to consider manners, and to have power, action and ease, while the leader was required to be steady and well bred.

Championship saddle horses attracted the most attention. Mrs. Gerken's March, ridden by her driver, Misses Farm's Arctic, ridden by Mrs. Belle Beach, blue, and Mr. McGee's, ridden by Mr. Jones.

March showed better manners and went more easily than either Mr. McGee's Arctic or Farm's Arctic. The latter, showing bad manners, seemed to walk. The judges

for championship. The only ones having the hardihood to make the bid were The Youngster and Polly Prim, driven by Mr. Vanderbilt, and Portia and Sweet Marie, both owned by Mr. Vanderbilt.

The judges made short work of the class, giving championship to The Youngster and Polly Prim, and "reserve" to Portia and Sweet Marie, amid the wild applause of the crowd.

Mr. Vanderbilt made a clean sweep of

the championship harness classes, winning both championships and both reserves.

The Corinthian jumping class, open to all hunters, was the last regular jumping class before the jumping championship events.

The Corinthian can only be ridden by a member of some recognized hunt, and

It is highly important that these organs should properly perform their functions.

When they don't, what lameness of the side and back, what yellowness of the skin, what constipation, bad taste in the mouth, sick headache, pimples and blotches, and loss of courage, tell the story.

The great alterative and tonic,
